01 Night Innsbruck, 02 Nights Salzburg, 02 Nights Vienna

Day 01: Arrival Innsbruck

Arrive Innsbruck, capital of Austria's western state of Tyrol, is a city in the Alps that's long been a destination for winter sports. Innsbruck is also known for its Imperial and modern architecture. Afternoon visit to Swarovski Crystal Garden. Enjoy a unique visit to the amazing and sparkling newly renovated world of Crystals, created for you by Swarovski! After re-opening in April 2015 the Swarovski Crystal World is more breathtaking than ever. Explore the fantastic and sparkling world of Swarovski. Aboard a fast and comfortable coach from central Innsbruck (30 minutes drive), you will be taken to the world famous Swarovski Crystal World, situated in Wattens. The redesign of this extraordinary tourist destination, which will be reopened in April 2015, represents the largest expansion of the crystalline world of experience to date. Working in collaboration with artists from throughout the globe and internationally renowned architects, a park landscape is emerging on 7.5 hectares of land surrounding the iconic Giant, with unparalleled art installations and new structures, such as, for example, the playtower and the playground, a restaurant, and the Foyer. The crowning feature of the new garden is the Crystal Cloud, created by Andy Cao and Xavier Perrot. The monumental installation drifts above a black Mirror Pool, enticing visitors to pause and be inspired. Straddling an area of roughly 1,400 square meters, this ephemeral work is the largest of its kind in the world. The Crystal Cloud consists of approximately 600,000 hand-mounted Swarovski crystals. A descending path draws visitors into the Mirror Pool where the crystals' light is captured like stars shimmering in the night sky, even in daylight.
