Optional sightseeing description:

Bath, Stonehenge and Salisbury

A full day visiting mysterious Stonehenge with its magical aura, medieval Salisbury Cathedral with its famous Magna Carta, and the unique spa waters at the Roman Baths.

We depart London and head to Stonehenge. 5,000 years ago these huge 40 ton rocks were dragged to the lonely, windy plain of Salisbury hill. You'll get time to learn more about this iconic monument steeped in mystery and legend! Soaring into the skyline, the spire of Salisbury Cathedral stands at a whopping 123m (404ft)! Erected 800 years ago, the revolutionary spire is considered one of the leading examples of Early English architecture. Ancient meets modern at the cathedral's newest addition: a beautifully sculpted font designed by William Pye. Salisbury Cathedral is also home to the world's oldest working clock and the best-preserved of the four remaining original copies of the Magna Carta. Marvel at this astonishing medieval document in the Chapter House with its slender central pillar and stunning medieval frieze. No tour of Bath would be complete without a visit to the famous Roman Baths that gave the city its name. This beautifully preserved bathing complex still flows with water from Britain's only hot spring. Marvel at the dazzling torch-lighting ceremony as dusk falls (not applicable in summer) and sip Bath's healing waters in the Pump Room, a stunning neo-classical salon where hot spa waters are drawn for drinking. Special bonus - Free Walking Tour when you book this tour. Estimated arrival time back to London is around 7.00pm.

Tour duration: 10 hours

Includes: Transportation by coach, entrance to Stonehenge, visit to Salisbury Cathedral, visit to the City of Bath, entrance to the Roman Baths, Lunch in Salisbury, if this option is chosen, English speaking guide. Free Walking Tour.
