Day 04: Zurich/Lucerne/Interlaken/Engelberg – Mt. Titlis

Today full day at Mt Titlis - Proceed to Railway Station to board train for Engelberg. Arrive Engelberg Station and board Shuttle to Gondola Station (500 Meters). We board gondola for Mt Titlis, which takes you up to the Trübsee. You continue your trip by another gondola to Stand and finally the first revolving Titlis Rotair cablecar takes you up to Mount Titlis. For a spectacular, close-up insight into a glacier, visit the Glacier Cave and ride the Ice Flyer chairlift. We also walk on Titlis Cliff Walk, an amazing Suspension Bridge, 500 meters off the Ground and 3000 Meters above Sea level. Late afternoon return back to Engelberg and free time to explore the scenic little Village. After an hour or so we take back a Train to Lucerne.

Lucerne was a city of bridges in the Middle Ages. In 1400, Lucerne was the only city in Europe to boast four bridges. The Hof Bridge, constructed around 1250 (demolished 1834), and the Chapel Bridge, built around 1300, formed part of the city fortifications. The Spreuer Bridge served to connect the lower parts of the city. Nowadays the less attractive Reuss Bridge is the oldest river crossing and contributed considerably to the city's development. It was not until the 19th and 20th centuries that five more bridges were added. However, Lucerne is also a City of Palaces, Churches and Squares. You will learn some funny, interesting and true facts about Lucerne's history, Churches, Bridges, Lanes, Squares, Towers and of course about Lucerne's trademark, the Chapel Bridge with the Water Tower.

Overnight stay at hotel (Breakfast)

Zermatt

Zermatt lies at the foot of the Matterhorn. The town's touristic development is closely linked to what is most probably the world's most famous mountain. The vacation destination is a car-free zone, has preserved its original character and offers nearly unlimited possibilities as far as excursions are concerned.

The location of Zermatt at the foot of the Matterhorn and in the middle of an enormous hiking and ski region makes it one of the world's most attractive vacation villages. The ski region encompasses 63 mountain railways and 360 kilometers of pistes. The region called "Matterhorn glacier paradise" is Europe's largest and highest lying summer skiing region. Numerous national ski teams train here in the summer.

The cog railway operates between Zermatt and the 3089-metre-high Gornergrat. The summit offers up spectacular views of the Matterhorn, the glaciers and the Monte-Rosa massif.
